## Alpha Y SAE 0W40

Full Synthetic Engine Oil SN/CF

This product is a very advanced full synthetic engine oil that has been developed for gasoline and diesel engines. The full synthetic technology in this engine oil is several times more able to effectively remove sludge and dirt from engines than a mineral oil. This product ensures that your engine is driving like new in all driving conditions. This product has a very rapid engine protection start up, which makes it perfect for short distance driving and start-stop driving. Also the specifically designed additive package ensures that dirty engines are cleaned tremendously. This product is very suitable for engines that include turbo-chargers, direct injections diesels and Hybrids. Please note that this product is not suitable for vehicles with DPF filters.
