

## Joba T SAE 25W50

### 4-Stroke Motorcycle Engine Oil

This is a motorcycle and scooter engine oil that is made out of the finest mineral base oils. This product is very suitable for (city) touring, racing a cross motors. This product is developed with ester technology additives that ensure that there is optimal friction prevention. This product can be used in vehicles where the API SL oil is prescribed. With the development of this product, it has been formulated in a way that it offers excellent protection to the gearbox and wet disk clutches. Also, it is very suitable for daily city work-life traffic and the cold start properties ensure optimal engine protection even at cold starts. The JASO MA specification on this product ensures that it can be used in all 4-stroke motorcycle and scooter engines with one oil system for engine, gearbox and wet clutch.

BASE OIL:  
**MINERAL**

#### SPECIFICATIONS

API SG

JASO MA2

GRADE	METHOD	UNIT	VALUE
Density	ASTM D4052	kg/l	0,894
Kinematic viscosity @ 40 °C	ASTM D445	mm <sup>2</sup> /s	218,0
Kinematic viscosity @ 100 °C	ASTM D445	mm <sup>2</sup> /s	19,9
Viscosity Index	ASTM D2270		105
B.N. (HCL04 method)	ASTM D2896	mg KOH/g	5,9
Pour point	ASTM D6892	°C	-24
Flash point	ASTM D92	°C	258
Sulphated ash content	ASTM D874	%	-
